

Silkolene®

Classic Technical Data

Osmaston 50

A high quality premium grade, non-detergent engine oil often preferred by owners of pre-war Classic and Vintage vehicles. Being a non-detergent type of lubricant it is important to ensure that the engine oil is changed at least every 1000 miles. This grade is also ideal for total loss lubrication systems used in the engines of veteran cars and motorcycles.

Osmaston 50 may also be used as appropriate in gearboxes.

Typical Technical Data	Osmaston 50
Kinematic Viscosity @ 100°C...cSt	19.2
Kinematic Viscosity @ 40°C...cSt	220
Viscosity Index	97
Pour Point °C	-15
Specific Gravity @20°C	0.892
Flash Point (Closed) °C	230
